## Independent Living Services

Experience carefree living in the country. The Cottages is our community of Independent Living neighbors. Here, you plot your own course through the day – whether it includes entertaining family during the day, enjoying yourself with a night on the town or simply doing laundry in your own private cottage.

## Country Place Staff

The caring staff at Country Place is here to ensure your days are relaxed and peaceful. We work hard to maintain a safe and secure environment for all our neighbors. And if you need it, we have staff available to assist with a variety of tasks, including medication management, physical therapy, transportation and more. We also have an emergency medical alert system throughout our communities to ensure help is there when you need it.

### Services Include:

- » Emergency medical alert system
- » On-site medication management and assessment (storing, distributing, pharmacy delivery)
- » On-site therapy (OT, PT, Speech)
- » Transportation services
